DETAILED ACTION

Reasons for Allowance

1. Claims 23-32 and 35-36 are allowed.

The following is an examiner's statement of reasons for allowance: Claim 23 recites the step of soaking the filtration system for at least about 1 minute following the step of treating the filtration system with a multiple phase treatment composition. The closest prior art Husain et al. US 2002/0108906 A1 teaches treating the filtration system with a multiple phase treatment composition but fails to teach soaking the filtration system following this step.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Benjamin Kurtz whose telephone number is 571-272-8211. The examiner can normally be reached on Monday through Friday 8:00am to 4:30pm.
